Buffy the Vampire Slayer™

BOOM! STUDIOS

Into every generation, a Slayer is born; a chosen one. They alone will wield the strength and skill to fight the vampires, demons, and the forces of darkness; to stop the spread of their evil and the swell of their number.

They are the Slayer.

Omg so the last few days have been WILD. That new girl, Buffy, finally made her first friends with Willow and Xander (yay for them!), so I tried to come in and be her new BEST friend, cause of COURSE, but she was NOT having it. Ugh. So then I met a cutie named Spike who seemed cool but a little creepsville? Oh! And it turns out vampires are REAL? No joke. Also, bat monsters, which I know because one totally attacked us when Harmony and I were just trying to have a nice dinner downtown!

So natch I'm trying to help everyone out, including Spike (whose gf showed up at one point and she does NOT seem like a nice person just fyi), but then Buffy showed up and tried to stab Spike with her super stabby powers! Honestly, I try to be nice to everyone but this has just gone too far!

Meanwhile, I heard Robin Wood (literally the only high school boy that matters) and Buffy have been getting cozy with each other, which, fine, would be pretty cute, but I'm not sure he knows about the aforementioned super stabby powers. All I have to say is that if things go on like this, someone is going to get hurt...

BOOM! STUDIOS

We haven't seen Drusilla and Spike in a long while.
The slayer stuff still feels out of my comfort zone.
I couldn't even get a date for homecoming last week.
